A B O U T T H E D E S I G N E R :

Danish designer, Jonas Birkebaek Poulsen has been interested in creating and designing since childhood, which has resulted in a curious approach and a strong creative approach to design.

Jonas graduated with a Master degree in industrial design from the Danish design-school Kolding in 2012. Good design is a design that people remember and fall in love with. Something that is part of a bigger story and that will be cherished for years. When working with lighting, Jonas finds the balance between functionality and aesthetics fascinating.
