Product description:

An elegant wall mirror with an oak frame and 'infinity' glass finish. This long wall mirror is both highly practical and incredibly sophisticated and will complement most modern living rooms, bathrooms, hallways or bedrooms.

Designer's thoughts:

"We wanted to make a classic and slim mirror with visible soft wooden details that lift it from the wall. The flat panels at the top and bottom give the mirror a warm expression as the wood grain becomes visible. The wooden strips that surround the back of the mirror all have a large radius which creates a soft shadow on the wall." – Herman Studio
