MS SERIES - MS022
PRODUCT FACT SHEET

MS SERIES - MS022

The MS Series is a clean, cool and modern lighting collection created by contemporary Danish architect and designer Mette Schelde. A modern and minimal reinvention of classic lamp designs, the MS Series balances minimalist transparency with soft curves as the lamps' clean lines meet Schelde's signature circle shape found throughout much of her work. All lamps in the series feature an integrated dial for turning on and dimming control.

PRODUCT TYPE
Table lamp

ENVIRONMENT
Indoor

DESIGNER / YEAR OF DESIGN
Mette Schelde, 2023

ABOUT THE DESIGNER
In 2012, Schelde established the studio from where she designs furniture, lighting, and architecture. Her designs are functional and made of simple constructions in a sculptural universe. Schelde combines traditional materials such as wood, glass, and metal with sensual functions. With simple lines and compositions, her studio explores new methods and technologies that point both back and forth between tradition and renewal.
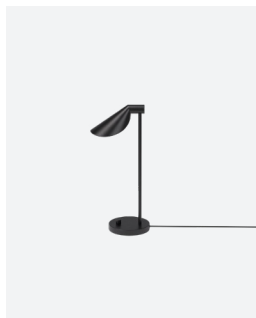

MODELS
MS022

MATERIAL
Shade: Aluminium (Brushed or black PVD coated)
Body: Brushed stainless steel or black PVD coated

VARIANTS

MS022
STEEL

MS022
BLACK PVD

FEATURES
• Rotatable (shade)
• Dimmable

CERTIFICATIONS AND DECLARATIONS
CE

LAMP RATING AND SPECIFICATIONS
Voltage: 100-240V
Frequency: 50-60 Hz
IP Rating: IP20
Isolation class: Class III
Light source included: Yes (Build-in LED)
Energy label: G

COUNTRY OF ORIGIN
China

PRE-ASSEMBLED
No

PACKAGING
The lamp is covered with a plastic bag and shipped in a cardboard box. Cardboard is used as protection inside the box. All packaging material can be recycled.

CLEANING AND CARE
Find recommendations for cleaning and care at:
fritzhansen.com/maintenance

REPAIR, DISPOSAL AND REUSE
In case of repair and disposal the lamp can be disassembled into parts. Check local regulations for recycling options and whether there is potential for reuse.

WARRANTY
2 years
