

- INSTRUCTION MANUAL -

REVOLVER TABLE

DESIGN BY LEON RANSMEIER

HAY

- PARTS -

A Top ring x1

B Leg x4

C Bottom ring x1

D Tabletop x1

E Allen key x1
Large

F Screw x4

G Allen key x1
Small

H Screw x4

I Screw x8

1.

Mount the Legs **B** onto the Top Ring **A**.

2.

Insert the screws **F** and screw them loosely using the Allen key Large **E** to connect the Top ring **A** to the legs **F**.

3.

Insert the screws **H** and screw them loosely using the Allen key Small **G** to connect the Bottom ring **C** to the legs **B**.

4.

Fully tighten the screws **(F)** using the Allen key Large **(E)** to fix the Top ring **(A)** to the legs **(B)**.

5.

Fully tighten the screws **(H)** using the Allen key Small **(G)** to secure the Bottom ring **(C)** to the legs **(B)**.

6.

Mount the Tabletop **D** onto the Top ring **A**.

7.

Place all the screws **I** in the holes from underneath to connect the Tabletop **D** to the Top ring **A**. Tighten the screws using the Allen key Small **G**.

8.

If necessary, adjust the gliders to make the table level.

9.

Done!

- CARE & MAINTENANCE -

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture.
