COCO

Description:

Versatile elegance

Sit back and relax in the elegant COCO chair. The defined, rounded lines give this chair a modern look that works perfectly in any setting – private or public. Choose between a number of fabrics and colours to match your interior design and visions.

Year of design: 2008

Function:

A comfortable chair, which is easy to combine with many different kinds of furniture. COCO is easy to move around.

Sales Arguments:

Elegant and modern...

COCO is a sophisticated easy chair that, depending on choice of fabric, suits most arrangements in combination with your current furniture or with the other models in the collection. The mode of expression is stringent and yet welcoming with the softly rounded armrests and back.

Design: Busk+Hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan B. Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with minimal embellishment, and they often get their inspiration from shapes and lines found in nature.
