

FRANSDEN

K O L O R I T P E N D A N T Ø 2 0

Kolorit is designed by Jørgen Klinkby and is a functional lamp, which reflects and bends the light beautifully. The center cylinder points the light towards the surface, and the center piece in chrome adds a double reflection of both the light and the surroundings.

A B O U T T H E D E S I G N E R :

Jørgen Klinkby is the designer behind the Kolorit series in the Frandsen collection. Jørgen has a graduate from the Royal Danish Academy and has previously worked as an architect at Arne Jacobsen's drawing office.

Jørgen's design have clear functional- and constructional ideas, which unites in an easy-to-understand whole and leaves nothing untold.
