

Set up tips

Follow our **tips** to fully enjoy Miasun.

- 1** Hold the poles in the air, they will unfold themselves.
- 2** The horizontal pole has to **follow the wind** direction.
- 3** Make sure to **extend** the fluorescent strings by pulling the plastic tensioners.
- 4** Stick the verticals poles **deeply** in the ground (5 cm / 2 inches).
- 5** Place the pegs **diagonally** into the ground.
- 6** Tension the fluorescent strings as **tight as possible**, you're all set!
