Product description:

The Rim Pinboard is a design element made of 100% recycled canvas and solid wood. The two materials create an aesthetically pleasing functional object with a warm and natural look for the contemporary living space. The pinboard helps organize and inspire your daily life by presenting ideas in a modern and inviting style.

Designer's thoughts:

"We wanted to make a pinboard with a warm and soft look where the fabric should match the warmth of the oak. The frame of the pinboard has a large radius on the back which lifts it from the wall with a soft shadow" – Jonas Herman – Herman Studio
