

Arco
Dog Feeder

SKU:

C06-011-01-SM/ML, C06-011-02-SM/ML

Description:

Created by Slovene Design Team Raketa the Arco Dog Feeder stands out with minimalistic design and functionality down to the last detail. Unobtrusive and modern Arco fits into every interior design and convinces both dog and owner.

The feeder can be easily mounted on the wall at the desired height exactly matching the size of your four-legged friend. The seemingly floating construction allows your dog to eat in a comfortable and gentle position.

Thanks to a sliding system, the dog feeder can be removed and cleaned at any time. As dogs can be messy while eating and especially drinking, the curved L-shaped body protects your wall from splashes and dirt and at the same time allows you to comfortably wipe under the bowls.

The laminated surface in two neutral colours is water-repellent and particularly durable. Silicone rings keep the bowls in place to avoid rattling while your dog eats. For maximum hygiene the stainless steel bowls are dishwasher-safe and also available separately.

Design: Raketa

Sizes, Dimensions & RRP:

SM: 35,2 x 21,7 x 15 cm (L x W x H)

2 stainless steel bowls, each with 0,4 l capacity

Inner bowl diameter: 12 cm

HPL Grey

HPL White

Material:

- High Pressure Laminate surface
- Frame: Bent plywood
- Brushed stainless steel bowls (dishwasher-safe)
- Silicone rings

Care Instructions:

To clean the dog feeder wipe the body with a soft, damp cloth. Please avoid using any sharp or rough objects or aggressive detergents to avoid scratching the surface.

The stainless steel bowls can be washed by hand or on the dishwasher. Please clean the bowls thoroughly before use. Only the bowls are dishwasher-safe.

Please note that the cat feeder is not designed to carry heavy loads, so please do not stand or sit on it.
