

by Space Copenhagen

The Mater Accent Table is designed by the Danish architect duo Space Copenhagen and combines a sculptural and handcrafted aesthetic. Following along the same bloodline as the highly successful 2009 Mater High Stool, the Accent collection consists of three coffee tables, a larger oval lounge table and round dining table. The various sizes allow for creativity and flexibility in configuration, and creating different atmospheres for both home and public spaces.

The oak wood is sustainably sourced from well-managed forests and thereby honouring the UN Sustainable Development Goals of protecting “*Life on Land*” (SDGs 15) and “*Responsible Consumption and Production*” (SDGs 12) and supporting “*Partnership for the Goals*” (SDGs 17).
