Bell Lamp X-Small - EU Version

DESCRIPTION

The Bell lamp takes its starting point in the iconic shape of a bell. Special attention has been paid to the details, emphasizing the gathering point between the cord and the lamp itself in a contemporary way. With its industrial, yet friendly look Bell is ideal for both home decors and professional environments.

DESIGN

Andreas Lund & Jacob Rudbeck, 2012

MATERIAL

Powder Coated Aluminum

CONSTRUCTION

The four different sizes of the Bell collection share the same shape, which is connected to the cable in the top part. The construction with a rubber band detail connects the cable and shade permanently. All shades are white on the inside for optimal light reflection.

MAINTENANCE

Clean with damp cloth. Avoid use of all-purpose cleaners and others degreasing detergents.

CORD

4 m textile cord (white shade - white cord / grey shade - black cord / black shade - black cord / sand shade - brown cord).
