HEBE SERIES

Design by ferm LIVING

The Hebe series updates the classic lamp with bold shapes and an artistic touch. Initially sculpted by hand, the fluid silhouette of the base is inspired by nature and has a feminine note. Made of ceramic, the base has an either matte, coarse, and dark finish or a high-gloss glazing. Combine it with one of the matching textile lampshades of the series, available in a natural off-white or bolder curry. The classically styled shade adds an elegant feel to the modern base, and together, the two certainly make a grand statement.
