

LUCCA.

Designer: Toni Rie

LOUNGE FLOOR LAMP.

The elegant Lucca is a floor lamp that will have no trouble bringing light to, for instance, a coffee table in a cosy corner of your living room.

If you do not like the idea of drilling a hole for a pendant above your coffee table, Lucca is an elegant - simpler and much more versatile - solution.

From the discrete base, a long, bouncy arm reaches two metres upwards and 140 cm into the room. The arm lifts a minimalistic, semi-circular shade across the room's seating area and into the centre of the sofa corner. The matt black shade also has a tilting joint to angle the light in several directions.

Despite its minimal footprint, the Lucca Floor Lamp stands solidly wherever you set it - thanks to the weight of the lamp's base. Lucca is available in matt black and comes with a black textile cord with a practical foot switch.
