Stool Clover Boucle

Fact Sheet

We have become somewhat synonymous for designing a wide variety of stools: Tam Tams, Zig Zags, Crosses and many more. We thought it wouldn't harm to add another icon to the collection. The Clover Stool draws its inspiration from the 70s. It's thick, rounded, and embraces fat modern lines. It sits at the perfect height of 45cm and is upholstered in the cosiest of fabrics, boucle. The Clover Stool is available in three versatile colours, blue, green and ecru.
