### Description:

#### Elegant lounge chair

NOOMI is a modern chair with a classic feel. The soft, simple look and inviting elegance have clear references to the Scandinavian design tradition. NOOMI is designed for both public and private spaces and adds comfort and elegance.

Year of design: 2013

### Design: Susanne Grønlund

After completing her training at Danmarks Designskole, Susanne Grønlund set up her own studio 1991 and since she has designed and developed a wide and rewarded range of products like: textiles, clothing, toys, lifestyle products, lamps, outdoor furniture and not least furniture. Common for all the new ideas is that they all take starting point in a simple and easy to grasp design style without compromising the function and quality. Her red thread is the Scandinavian design tradition with a humorous contemporary touch which is all combined in a continuous row of innovative ideas and projects, like beads on a string.
