### Fatboy® product information Lamzac®

Made of polyester ripstop and a high-density polyethylene bag. Designed and engineered in The Netherlands. Made in China.

### WARNING: READ CAREFULLY BEFORE USE!

Retain these instructions for future reference!

### Suffocation hazard

The Lamzac® the original - when open - can be dangerous! Keep away from babies, children and pets, they may crawl into it and suffocate! Not suitable for children under 6 years old. The Lamzac® the original has a deep and shallow lying surface. Always use the shallow lying surface. The deep lying surface can be dangerous for young children, they may suffocate when using the Lamzac® the original.

- The inflatable Lamzac® the original is a furniture piece!
- This is not a toy or floatation device!
- Adult supervision required at all times!
- Keep away from open flames, burning cigarettes and excessive heat!

### Instructions for use and maintenance

#### Use

- See instructions on the other side to inflate your Lamzac® the original.
- To deflate, unlock the clip and roll the Lamzac® the original up.
- Do not jump on your Lamzac® the original as this may damage it.
- Place your Lamzac® the original on a flat/smooth surface.
- Sharp objects may damage the Lamzac® the original.
- You can use your Lamzac® the original outdoors.
- Do not use in water!

#### Maintenance

- After inflation, temperature fluctuations may cause a difference of air pressure in your Lamzac® the original. In this case, reinflate your Lamzac® the original.

- The Lamzac® the original will stay inflated for approx. ± 3 hours.
- To clean the Lamzac® the original, use a wet cloth on the soiled area and pat gently.
- Intensive outdoor use and excess exposure to sunlight, chlorine and seawater may shorten the lifespan of your Lamzac® the original.
- After use, store your Lamzac® the original indoors.

### Technical specifications

Model: Lamzac® 3.0  
Material: Polyester ripstop  
Coating: waterproof  
Weight product: 0.85 Kg  
Weight product + packaging: 1.05 Kg  
Maximum weight : 250 kg  
Dimensions packaging: l 370 x h 75 x w 195 mm  
Dimensions product when inflated: l 2000 x h 500 x w 900 mm  
Design registered at the european union intellectual property office (euipo).  
Us design patent pending.

Model: Lamzac® L 3.0  
Material: Polyester ripstop  
Coating: waterproof  
Weight product: 1.10 Kg  
Weight product + packaging: 1.30 Kg  
Maximum weight: 250 kg  
Dimensions packaging: l 380 x h 90 x w 225 mm  
Dimensions product when inflated: l 1950 x h 550 x w 1120 mm  
Design registered at the european union intellectual property office (euipo).

Model: Lamzac® O 3.0  
Material: Polyester ripstop  
Coating: waterproof  
Weight product: 0.76 Kg  
Weight product + packaging: 1 Kg  
Maximum weight: 250 kg  
Dimensions packaging: l 375 x h 195 x w 75 mm  
Dimensions product when inflated: l 1100 x h 1030 x w 620 mm
